Authority

The Board directs the Charter School to collaborate with school staff, other school districts, local agencies and other entities in supporting the needs of students experiencing educational instability.

The Board shall ensure that students experiencing educational instability have equal access to the same educational programs, activities and services provided to other Charter School students.

Such waivers include, but are not limited to, requirements regarding:

1. Dress code;
2. Transportation;
3. School-sponsored or extracurricular activities for which students meet placement and qualification requirements, including, but not limited to, clubs, athletics, performing arts, class trips, social events, career and technical education, internships and specialized classes;

This includes, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions and pre-adoptive homes. A child is in foster care in accordance with this definition regardless of whether the foster care facility is licensed and payments are made by the state, tribal or local agency for the care of the child, whether adoption subsidy payments are being made prior to the finalization of an adoption or whether there is federal matching of any payments that are made.
